

Note: only substantial transfers of functions identified through legislation or Orders-in-Council (OICs) are noted as arrows. More functions may be transferred to additional Ministries not included here. All dates are from OICs and legislation. There may be cases of overlap between name use or delays in implementing name changes. Solid line = Ministry renamed or continued, often with minimal change to functions. Dotted line = Some functions transferred, resulting from reorganization, the disestablishment (dissol.) or disestablishment (est.) or a Ministry. See associated OICs for details.
