

## **Panel 02**

### **UNDERSTANDING ORCAS: ENTER THEIR OCEAN**

You may know orcas from stories, science, tradition, Indigenous teachings, movies or marine parks. Every culture knows different whales in different ways.

Orcas have their own ways of knowing, which we're only beginning to understand. We are constantly learning more about orca cultures and what these whales need to survive and thrive.

Imagine what it's like to live in their world.
