

April Fool's

SCAVENGER HUNT

Don't be fooled! Our staff has placed unusual objects into the displays throughout the core galleries.

Your mission? Find the imposters!

HOW TO PLAY?

Explore the museum: Head to the second and third floor galleries—your clue list is on the back.

Find the imposters: Look for objects that don't belong.
(No need to touch—everything is in plain sight.)

Write it down: When you spot an imposter, write down what the object is.
